John,

I appreciate you getting the data and that you must be busy. If you are able to provide the ORP numbers I would be very appreciative, it will help answer many questions I think that are in everyone's interest.

Rich

Rupert,

I'm working on getting the ORP numbers for you; however, with the e-mail I sent last night, I've provided all the laboratory data we have, including methane, regarding the [Ex. 6 - Personal Privacy] water supplies. Note that the [Ex. 6 - Personal Privacy] files that were attached are associated with [Ex. 6 - Personal Privacy] water supply – [Ex. 6 - Personal Privacy] IS [Ex. 6 - Personal Privacy]

Thanks,  
John
